

BY-LAW NUMBER 4 OF 2008  
OF THE CITY OF SARNIA

“A By-Law to Levy Special Service Area Rate for Transit”

WHEREAS pursuant to Section 326 of the *Municipal Act, 2001*, as amended, the Council of The Corporation of the City of Sarnia may levy on certain rateable property a levy for the provision of special services, including transit;

NOW THEREFORE the Council of The Corporation of the City of Sarnia enacts as follows:

1. Public Transit is hereby prescribed as a special service of the municipality for which costs shall be collected through a levy on designated properties, where such costs are the total of those items described in the Budget for the City of Sarnia in each year under the headings “Transit-Transportation”, “Transit-Vehicle and Equipment Maintenance”, “Transit-Premises and Plant”, “Transit-General and Administration”, “Transit-Capital out of Rates”, “Transit-Debt Charges”, less those items described under the heading “Transit Revenue-Operations”.
2. Those properties with roll numbers falling within the range of roll numbers described in Schedule “A” to this By-Law are hereby designated as properties receiving an additional benefit from a special service in the form of accessible public transit, hereinafter described as “Designated Properties”.
3. A levy shall be assessed each year in accordance with Section 312 of the *Municipal Act, 2001* to collect funds from Designated Properties sufficient to cover the costs set out in Section 1 of this By-Law.
4. The levy determined for a property under this By-Law shall be due and payable in the same manner as taxes and shall be included on the tax bill for a property, with payment enforced in accordance with the Tax Levy By-Law.
5. If any property receives a levy as a Designated Property in error, the affected property owner can make an application to have the levy removed under Section 357 of the *Municipal Act, 2001* if it is a gross or manifest error of a clerical nature. For the sake of clarity, the basis for the inclusion of a property within Schedule “A” is that the property is located within 450 metres of a transit route and an error will not be considered gross or manifest unless the boundary of a property is found to be more than 495 metres from the boundary of a street on which transit service is provided.

6. If any section or portion of this By-Law or of Schedule "A" are found by a court of competent jurisdiction to be invalid, it is the intent of Council for The Corporation of the City of Sarnia that all remaining sections and portions of this By-Law and of Schedule "A" continue in force and effect.
7. Schedule "A" attached hereto form part of this By-Law.
8. This By-law repeals By-Law 40 of 2003, as amended.
9. This By-Law comes into force and effect upon finally being passed.

FINALLY PASSED this 14<sup>th</sup> day of JANUARY, 2008.
