SFRS RESPONDS TO A REPORTED LEAK AT ARLANXEO

SARNIA (April 27, 2020) at 13:25 **on Monday April 27, 2020**, Sarnia Fire Rescue Services (SFRS) was notified of and responded to a reported leak at Arlanxéo.

Sarnia Fire Rescue Services responded with 3 stations, established unified command with Arlanxéo's Shift Captain and remain on scene. SFRS and Arlanxéo staff were able to isolate and dissipate the leak while safely depressurizing the line.

The incident is ongoing but at present time, there is no known public hazard or off site impact as a result of this incident and no injuries reported. Some SFRS units have cleared the scene and returned to station.

Sarnia Fire Rescue Services will provide further updates.
