DATE: May 5, 2020 RELEASE DATE: Immediate

FROM: City of Sarnia Primary Control Group

SUBJECT: COVID-19 Update – May 5

The Sarnia Primary Control Group met via teleconference on May 5, 2020, at 9:00 am regarding developments related to the COVID-19 pandemic and, as of that time, received confirmation that the number of deaths connected to the pandemic within the Sarnia-Lambton area has risen to 15 and the number of confirmed cases has risen to 192. Currently, there remains 3 institutional outbreaks declared in Sarnia at Sumac Lodge, Vision Nursing Home and Landmark Village.

In light of the fact that this week is Mental Health Week, as recognized by the Canadian Mental Health Association, we remind you that it is important to remember that it is just as important to take care of your mental health as it is your physical health. While we recognize the ongoing toll the measures put in place to stop the COVID-19 pandemic has taken on the whole community, there are individuals within our community who may be at a greater risk of poor mental health from these measures. Whether you are dealing with added stress, feelings of loneliness or you are simply overwhelmed, keep in mind that you are not alone and that help is available.
