A Data Tool from Public Health Ontario provides an interactive map highlighting numbers of COVID-19 cases and other statistics, broken down on the map by Health Unit. <https://www.publichealthontario.ca/en/data-and-analysis/infectious-disease/covid-19-data-surveillance/covid-19-data-tool>

The Ontario government has amended order [O. Reg 364/20](#): Rules for Areas in Stage 3 under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020*, to tighten public health measures in response to the recent rise in cases of COVID-19 throughout the Province.

<https://news.ontario.ca/en/release/58548/new-public-health-measures-implemented-provincewide-to-keep-ontarians-safe>

Ontario has experienced an increase in the rate of new COVID-19 cases and these Stage 3 changes have been made to reduce the community transmission and outbreaks being observed.

This amended order is in effect province-wide and includes the following:

- Additional measures and restrictions to restaurants, bars, and other food and drink establishments (including nightclubs) by prohibiting the sale of alcohol after 11 p.m., and prohibiting the consumption of alcohol on the premises after 12:00 a.m. until 9:00 a.m. (including employees), and requiring establishments to close by 12:00 a.m., and remain closed until 5:00 a.m. except for takeout or delivery;
- Businesses or organizations must comply with any advice, [recommendations](#), and instructions issued by the Office of the Chief Medical Officer of Health on screening for COVID-19, including screening individuals who wish to enter their premises.

The limit on the number of people allowed to attend an unmonitored and private social gathering across the province is:

- 10 people at an indoor event or gathering (previous limit of 50); or
- 25 people at an outdoor event or gathering (previous limit of 100).

Indoor and outdoor events and gatherings cannot be merged together. Gatherings of 35 (25 outdoors and 10 indoors) are not permitted.
