2021 DRAFT BUDGET OVERVIEW

The 2021 Draft Budget is a good news story given the challenging year that 2020 has provided. Staff are proposing an increase of 2.39% in the general levy and 2.45% to the Transit area levy for a combined increase of 2.37% once an estimate for growth is taken into account. A 1% change in the general levy is approximately \$760,000. The combined increase in Water and Sewer rates is 3.57%.

The City will receive \$3,137,377 in covid-related Safe Restart funding from the Federal and Ontario governments in 2020. Of this amount, \$2,033,600 is related to general City covid pressures and expenses and \$1,103,777 is for Transit covid pressures and expenses. With the mitigation efforts implemented by Council and Staff, the City is expecting that most of these funds will be placed in reserves at the end of 2020 to address future challenges. The 2021 Draft Budget includes \$1,000,000 of the general Safe Restart funding to assist in mitigating general levy rate increases, leaving \$1,103,777 in reserves. The Transit Safe Restart funding is expected to be utilized in 2021 to mitigate any ongoing pressures.

The City is proposing an aggressive and expansive capital program with \$61,359,805 of capital projects being proposed. Proposed Capital projects span all City departments and include the replacement of Fire Station 3 on Colborne Road and a combination of projects that will result in the largest amount of road resurfacing in the City's history.

The City is continuing with its Asset Management funding initiatives with a further 2%, or \$1,485,752, being allocated to the capital reserve on top of the 2% that was embedded in the 2020 budget. This results in a total of \$2,239,717 being transferred to the Capital Infrastructure reserve and currently a buffer in the amount available to fund the City's \$61,359,805 proposed capital budget.

At the end of the day, if approved, the budget is delivering \$3,343,494 of surplus available funds for Council consideration.

BUDGET

The budget is our plan to manage your money and other funding we receive to deliver the services important to you, your family and our community.

5 FISCAL FITNESS PILLARS

Reduce Debt

Increase Reserves and Reserve Funds

Maintain Affordable Service Levels

Infrastructure Renewal

Maintain Reasonable Tax Rates

RESPONSIBLE FINANCIAL MANAGEMENT

Align City services and capital investment with citizen expectations and ability to pay.

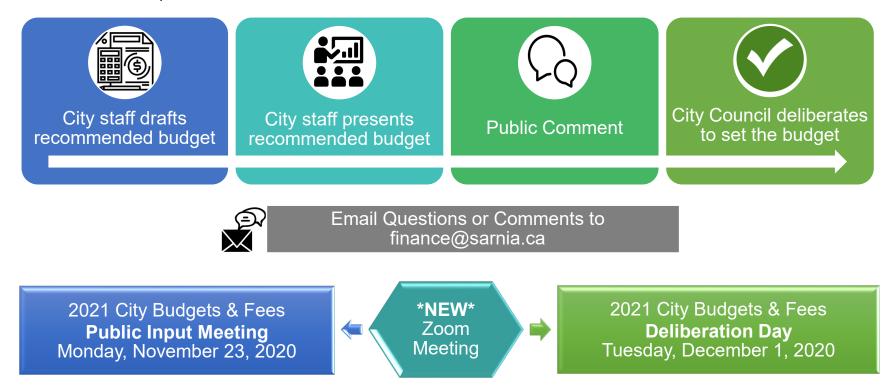

BUDGET PROCESS

Sarnia's budget is first proposed by City staff to deliver the services and programs that our community values.

Once a recommended budget has been set by City staff, it is made public and presented to Council. Council and the community then have time to review and comment.

To help guide Council regarding the budget, City Council will hold a Public Input and Grants Session on Monday, November 23, 2020. Any citizen, group, or organization who wishes to make a presentation on the 2021 Budget is requested to notify the City Clerk's office on or before noon, Wednesday, November 18, 2020.

On December 1, 2020, Council will consider all aspects of the budget and aim to approve a budget that takes into account the City's 5 Fiscal Fitness Pillars.

PROPERTY TAXATION - WHERE DOES IT GO?

The City of Sarnia is part of a two-tier municipality, where our residents receive one tax bill to cover the total cost of services provided by the City, County and School Boards. The County of Lambton is the "upper tier" and the City of Sarnia is the "lower tier". Here is how your tax bill is split:

SUMMARY OF PUBLIC SERVICES AND WHO PROVIDES THEM...

Parks & Trails, Arenas & Sports Fields
Recreation Centres, Programs & Events
Solid Waste Collection, Recycling & Compost
Maintaining Local Roads/Bridges
Building Permitting, Land Use Planning
Fire & Rescue Services
Police & Emergency Management Services
Public Transit
Tax Collection
Business & Marriage Licencing
Water Distribution & Wastewater
Elimination

Stormwater Management & Drainage

Emergency Medical Services
Housing Services
Public Health
Social & Family Services
Maintaining County Roads/Bridges
Long Term Care
Child Care & Children Services
Provincial Offences Administration
Libraries, Museums & Cultural Services
Septic & Plumbing Permits
Solid Waste Management
Economic Development & Tourism through
SLEP/Tourism Sarnia Lambton

Elementary Education Secondary Education

HOW IS THE CITY'S BUDGET STRUCTURED?

There are various components of the budget that Council reviews and approves.

- 1. **OPERATING BUDGET:** Includes all of the day-to-day activities of the City needed to provide services. The operating budget is broken down into 5 main categories:
 - a. General Levy Includes all City department budgets except Conventional Transit, Water and Sewer.
 - b. Police Budget Included in the General Levy, but follows a different approval process regulated by the Police Services Act. The Police Services Board reviews and approves the detailed budget; City Council does not have the authority to approve/disapprove specific estimates. City Council establishes the overall budget allocated to Police Services.
 - c. Transit Levy The Conventional bus system has a separate budget. Only property owners within 450m of the transit routes pay these costs.
 - d. Water Rates Costs associated with providing municipal water services, including the Lambton Area Water Supply System, are separated to determine how to set water rates. These are broken into a monthly fee based on water meter size and a variable fee based on the water used.
 - e. Sewer Rates Costs associated with providing municipal storm and sanitary sewer services are separated to determine how to set the sewer percentage added to water bills.
- 2. **CAPITAL BUDGET:** A 10-year Capital Plan has been developed and includes costs for new assets, major rehabilitation, or replacement of the City's infrastructure, such as road and underground service rehabilitation, storm/sanitary sewer separation, building upgrades, parks facilities, shoreline protection, vehicle replacements, etc.
- 3. **RESERVES BUDGET:** Reserves frame the financial foundation for long-term financial planning, so there is money to replace infrastructure now, and in the future. Reserves assist in minimizing tax fluctuations by smoothing demand over a longer period of time. The Reserves Budget includes expected inflows from various sources and outflows for spending from reserves.
- 4. **FEES FOR SERVICES:** Includes the fees to be paid by only those that use a service. Some examples are marriage or business licenses, bus fares, water meter removal, notary services, fire inspections, special event bookings, sports fields rentals, ice rentals, parking, site plan agreements, building permits, dog licenses, garbage tags, replacement blue boxes, marriage ceremonies, and recreation program fees.

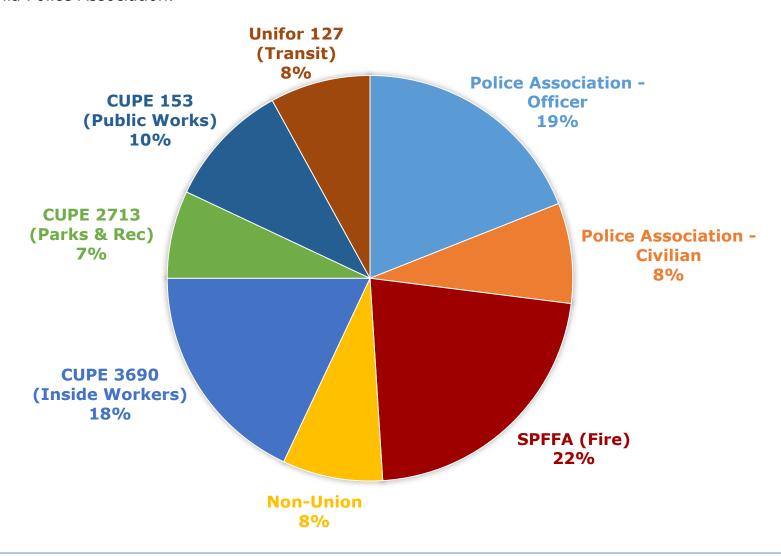

2021 DRAFT EXPENDITURES

Let's break the City's expenditure dollars out two different ways to help explain how this money is spent.

2021 DRAFT STAFF SUMMARY

A large part of how the City provides services and manages its assets is through the people who work here. Staff costs include wages and benefits. City staff are represented by the following unions and associations: CUPE 3690, CUPE 2713, CUPE 153, Unifor 127, Sarnia Professional Firefighters Association, and Sarnia Police Association.

TOTAL AMOUNT TO BE COLLECTED THROUGH TAXATION AND RATES

Property taxes and water/sewer rates are the City's largest source of revenue. Property tax is the number that "balances" the budget. The City only collects sufficient taxes to provide services, maintain assets and invest in infrastructure. An increase to the City's total property assessment value does not automatically result in the City collecting more tax.

TAXATION	2020 Approved Budget	2021 Draft Budget	Difference	Change %
General Operating	51,253,928	52,226,833	972,905	1.90%
Police Services	25,177,450	26,033,481	856,031	3.40%
General Taxation	\$76,431,378	\$78,260,314	\$1,828,936	2.39%
Transit Area	4,244,344	4,348,130	103,786	2.45%
Total Taxation	\$80,675,722	\$82,608,444	\$1,932,722	2.40%
Taxation Growth Impact	525,000	525,000	-	0.00%
Special Levy - Petro-Chemical Area	500,000	500,000	-	0.00%
Total Taxation Revenue	\$81,700,722	\$83,633,444	\$1,932,722	2.37%

RATES	2020 Approved Budget	2021 Draft Budget	Difference	Change %
Water	16,914,972	17,345,161	430,189	2.54%
Sewer	18,603,802	19,442,125	838,323	4.51%
Total Rates	\$35,518,774	\$36,787,286	\$1,268,512	3.57%

WHAT DOES THIS PROPOSED PROPERTY TAX INCREASE MEAN TO SARNIA'S RESIDENTIAL PROPERTY OWNERS?

The amount of property tax revenue approved by City Council is spread between property owners based on assessment value. The assessed value is determined by the Municipal Property Assessment Corporation.

Based on these residential values, the proposed increase is broken down between the general tax, which applies to everyone, and the conventional transit tax, which is charged only to those within the conventional transit service area.

City Portion of Property Tax	Average Value	2020 City Tax	Increase (General Tax)	Increase (Transit Tax)	2021 Estimated City Tax
Residence valued at \$100K		\$923	\$21	\$1	\$945
Single Family Detached	\$219,737	\$1,783	\$46	\$3	\$1,832
Link Home	\$183,515	\$1,553	\$38	\$3	\$1,593
Freehold Rowhouse	\$167,017	\$909	\$35	\$2	\$946
Semi-Detached	\$137,008	\$1,158	\$28	\$2	\$1,188
Single Family (Lakefront)	\$986,292	\$8,012	\$205	\$13	\$8,230
Condominium	\$148,778	\$1,130	\$31	\$2	\$1,163
Proposed Increase - CITY Portion Only					

Based on 2021 City of Sarnia Average Phase-In Values

Note that the amounts above are only the City portion of the total tax bill. The City is part of a two-tier municipal structure and property taxes are collected by the City for the County of Lambton as well as the Ministry of Education. The County of Lambton and the various school boards have a separate budgeting process from the City and their changes will not be finalized until the spring of 2021. Depending on the budget decisions of these groups, property owners will see changes to their tax bills that are different from those above.

Property taxes are shared by all property owners; this includes all property classes, such as residential, multi-residential, farm, commercial, and industrial. Heavily regulated by the Province, the County of Lambton sets policy to determine what portion of taxes each property class throughout the County pays. As the total tax collected is based on the approved budget, any change to this policy shifts tax liability from one property class to another, but the total amount collected stays the same.

WHAT ARE THE KEY THINGS CAUSING THE PROPOSED INCREASE TO PROPERTY TAXES/RATES?

The chart below shows the key areas of increased spending or reduced revenue anticipated for 2021.

Contribution from reserves from Safe Restart (covid) funding (1,000,000) -1.31% Reduction of reserve contributions to tax stabilization reserve (600,000) -0.79% Police budget - as approved by Police Service Board 856,033 1.12% Economic Development department, newly created 250,000 0.33% Bluewater Power dividend, estimated decrease in revenue 100,000 0.13% Decrease in income from investments due to interest rate declines 139,827 0.18% Contribution to reserves - Asset Management funding increase 1,485,752 1.94% Decrease to Drain reserve contribution (100,000) -0.13% Elimination of the Vacancy Rebate program, following the County of Lambton initiative (166,667) -0.22% Increases in payments in lieu of taxes (114,000) -0.15% Brownfields payment ending (235,876) -0.31% Increase in Scoftware License fees due to new software initiatives 128,400 0.17% Decrease in Recycling revenue 230,000 0.30% Insurance increases (52,211) -0.07% Proposed Increase - General Taxation \$4,705 2.09%

	Proposed Increase to Water & Sewer User Rates		3.57%

A positive change represents an increase to levy/rates. A negative change represents a decrease to levy/rates.

HOW DO CITY OF SARNIA TAXES COMPARE?

The following chart shows how the Sarnia's taxes compare to our neighbouring municipalities. The bar graph indicates the average residential assessment value of a home, whereas the line graph indicator above shows the average property taxes paid. Service delivery may differ in neighbouring comparators.

Assessment Value / Taxes Paid

ASSET MANAGEMENT - CAPITAL BUDGET

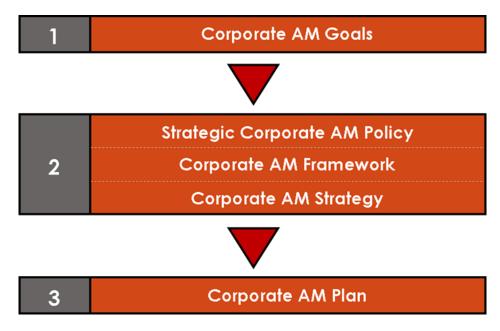

Maintaining municipal infrastructure is vital to achieving our vision "Sarnia – the place you want to be!" Our Asset Management Plan (AMP) is used to optimize our assets and help prioritize infrastructure needs. The City's revenues are not sufficient to meet the outstanding infrastructure needs or address the infrastructure backlog. The prioritization for infrastructure rehabilitation and replacement focuses on urgency, available resources, readiness to proceed, and affordability.

To address issues identified through the AMP as well as to promote a culture of pro-active lifecycle management, the general budget includes a dedicated 2% asset management funding to supplement the dollars available to invest in municipal assets. This is in addition to 2% asset management funding that is embedded in the budget from 2020. If approved, this dedicated asset management funding will be directed to pro-active maintenance of assets (i.e. rehabilitating them before they deteriorate into a poor condition).

In addition, the City owns and manages infrastructure that supports our petro-chemical industrial sector. A special area levy for this sector has been implemented to enable the City to replace and/or rehabilitate these critical assets.

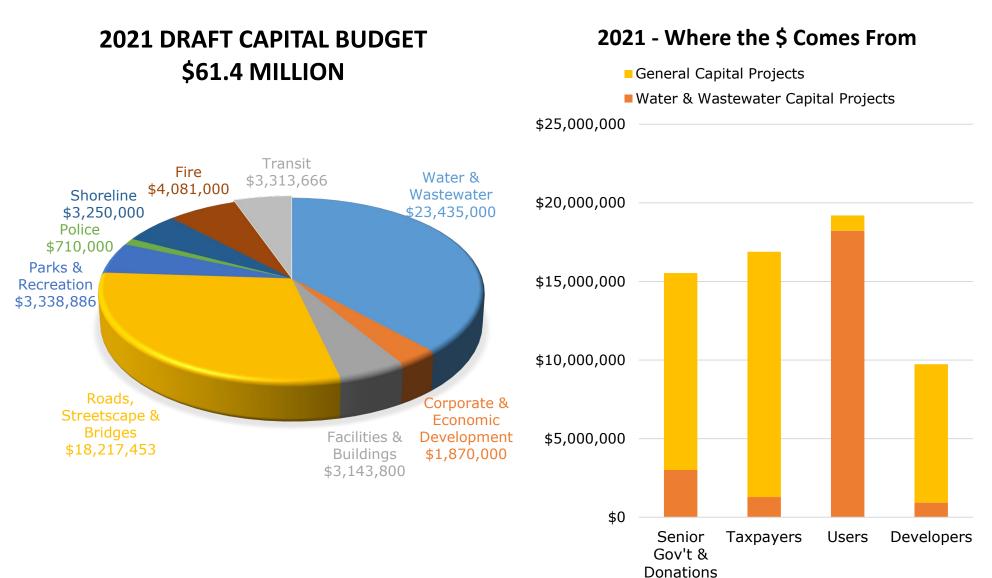

The City has been very successful in obtaining substantial Federal and Provincial grants for transit, roads, sewer upgrades, and water main replacements. The City must provide financial resources in partnership with the grant programs, ranging from 33% to 60% of total project costs. To meet this demand, as well as to promote a sustainable capital program, the City has drafted a 10-year capital plan that invests in the community's infrastructure.

The City is maintaining its "Pay As You Go" philosophy, redirecting the dollars previously used to pay principal and interest on retired debt, into other capital investments.

2021 DRAFT CAPITAL BUDGET

The following pie chart illustrates where the 2021 capital budget dollars are allocated, while the bar graph shows where the money comes from.

BUDGET HIGHLIGHTS

This highlight document provides a high-level overview of the budget process, aspects of the budget, and the proposed changes for 2021. The Virtual Public Input and Grants Session will be held on Monday, November 23, 2020. Any citizen, group or organization who wishes to make a presentation on the 2021 Budget is requested to notify the City Clerk's office on, or before, noon on Wednesday, November 18, 2020.

You can watch video (live or recordings) of special Council meetings leading up to the Council Budget Deliberations scheduled for December 1, 2020 at 9:00 a.m. at https://sarnia.civicweb.net/portal/.

In preparation for the Budget process there are a number of presentations to Council; they are available on our website for your review. If you would like a more detailed look at all the numbers and background data that goes into the development of the proposed budgets, there are a number of detailed documents that will be available on our website after November 6, 2020 at https://www.sarnia.ca/2021-budgets/. These documents include:

2021 Draft Operating & Reserves Budgets

- •Summary of Taxation, Rates, Expenditures and Revenues
- Summary by Department
- •Total Full Time Equivalent Staff Summary
- •Detailed Operating Budget (line by line) including explanations of changes
- •Reserve & Reserve Fund Revenues & Expenditures, & Projected Fund Balances

2021 Draft Capital Budget (Issued September 18, 2020)

- •10 Year Capital Plan
- Capital Budget Funding Sources
- •Capital Project Detail Department Requests

2021 Draft Fees for Services

•Fees by Department (including description of user fees)

2021 Draft Supplementary Budget Information

- Budget Reports
- Municipal Grant Policy
- Municipal Grant Summary and Submitted Applications
