***MEDIA RELEASE***

DATE: October 1, 2020                      RELEASE DATE: Immediate  
FROM: Ron Realesmith, Manager, Emergency Management Office  
SUBJECT: Confirmed COVID-19 Cases in Sarnia Harbour

---

Lambton Public Health (LPH) has confirmed they are investigating verified COVID-19 cases, originating from a commercial ship that docked in Sarnia Harbour.

LPH in collaboration with Transport Canada removed members of the ship's crew and transported them to a hotel in Point Edward.

If the public has questions or concerns about the safety or potential risk, we ask that you contact LPH directly for further direction or information.
