

- Healthcare workers (identified in [Phase 1](#))
- Adult recipients of Chronic Home Care
- Urban Indigenous Adults

Full details regarding eligibility and registration are provided on the LPH website's vaccination registration page. Eligible individuals who pre-register will receive an email invitation to schedule an immunization appointment directly from the Ontario booking system – please allow 48-72 hours to receive your invitation.

If you are part of these eligible groups and would like to book an appointment, please book your appointment online at [Ontario.ca/bookvaccine](https://ontario.ca/bookvaccine) or call 1-888-999-6488.

Learn more about [Ontario's COVID-19 vaccination program](#) on the LPH website www.getthevaccine.ca. Lambton County's fixed site clinic locations are operating by appointment only.

Provincial Update

Applications for the Ontario Small business Support Grant and Main Street Relief Grant are open until March 31, 2021. To find out if your business is eligible for grants to help with the cost of personal protective equipment, property taxes, energy bills and extra support if you have to close or significantly restrict services because of provincial public health measures visit: <https://www.ontario.ca/page/businesses-get-help-covid-19-costs>.

To further support businesses and promote fitness during the pandemic, the government is making limited, targeted adjustments to public health and workplace safety measures in the Grey-Lockdown level of the Framework, allowing the safe resumption of select activities where the risk of COVID-19 transmission can be minimized. This includes:

- Effective Monday, March 29, 2021, permitting outdoor fitness classes, outdoor training for team and individual sports and outdoor personal training, subject to public health and workplace safety measures, including, but not limited to: a maximum of 10 patrons, every person maintaining a physical distance of at least three metres from another person, requiring a reservation and active patron screening.
- Effective Monday, March 29, 2021, permitting marinas and boating clubs to operate clubhouses or any restaurant, bar and other food or

drink establishment for outdoor dining, subject to public health and workplace safety measures.

Effective Monday, April 12, 2021 at 12:01 a.m., personal care service settings including but not limited to barber shops, hair and nail salons, and body art establishments, will be permitted to operate at 25 per cent capacity or five patrons (whichever is less) subject to physical distancing, including by appointment only, and other public health and workplace safety measures.

The province is also modifying outdoor capacity limits for [weddings, funerals, and religious services, rites or ceremonies](#) held in regions in all levels of the Framework. Effective Monday, March 29, 2021, capacity limits for weddings, funerals, and religious services, rites or ceremonies, will be adjusted to allow for the number of individuals that can maintain two metres of physical distance. This change does not apply to social gatherings associated with these services, such as receptions.

Sarnia-Lambton remains in the Grey-Lockdown zone of the Province's COVID-19 response framework. The Grey-Lockdown status is considered a declaration of emergency. Maximum measures are in place to implement wide-scale measures and restrictions, including closures, to halt or interrupt transmission of COVID-19. Full details can be found under the [COVID-19 Response Framework](#): <https://www.ontario.ca/page/covid-19-response-framework-keeping-ontario-safe-and-open#grey> and [O. Reg. 82/20](#): Grey-Lockdown.

Businesses with questions about what will be open or impacts to your business or employment, can call the Provincial Stop the Spread Business Information Line at 1-888-444-3659.
