

Trees of Distinction Program

In partnership with Lambton County and the Sarnia-Lambton Arbor Week Committee.

The Sarnia-Lambton Arbor Week Committee invites you to participate in a rewarding program which promotes the beauty of trees and the importance that they play in our everyday lives.

Local residents, businesses or service clubs are invited to nominate a tree that is:

1. Accessible to the public
2. Healthy
3. Native or ornamental
4. Distinctive

To nominate a tree, fill out the information below. Members of the Arbor Week Committee will examine the tree and determine if it fits the criteria. A "tree friendly" plaque will be attached to the tree. Future plans include the generation of a map showing all the distinctive trees identified in the County.

To nominate a tree, complete the information below and submit to the Parks and Recreation Department: Forestry. This can be done by email at parksandrecreation@sarnia.ca, or in-person or mail to City Hall at 255 Christina St. N., Sarnia, ON N7T7N2 Attn: Parks and Recreation – Forestry.
