

NOTICE OF INTENT

Overview:

Notice is hereby given by The Corporation of the City of Sarnia of its intent to award a contract to Can-Am Instruments to supplier to provide an autosampler for wastewater sampling.

Can-Am Instruments has been chosen to provide these services for the following reasons:

- To standardize equipment across the operation
- Consistent maintenance and training on all units

Estimated Contract Value: \$26,000

Service providers who wish to object to this decision should contact Shawn Unsworth, Purchasing and Risk Manager for The Corporation of the City of Sarnia, on or before June 27, 2022 at purchasing@sarnia.ca presenting specific reasons for their objection. If deemed acceptable and in the best interest of The Corporation of the City of Sarnia, the City will convene a meeting with its representatives and the service provider concerning this NOI.
