## NOTICE OF INTENT

---

### Overview:

Notice is hereby given by The Corporation of the City of Sarnia of its intent to award a contract to Collins Frazer Engineering Ltd. to provide required design and project support for pump station generator replacements

Collins Frazer Engineering Ltd. has been chosen to provide these services for the following reasons:

- Firm completed other related studies and has gained knowledge for each site
- Past experience with City staff on similar projects

Estimated Contract Value: \$60,000

Service providers who wish to object to this decision should contact Shawn Unsworth, Manager, Purchasing and Risk Management for The Corporation of the City of Sarnia, on or before August 11, 2022 at [purchasing@sarnia.ca](mailto:purchasing@sarnia.ca) presenting specific reasons for their objection. If deemed acceptable and in the best interest of The Corporation of the City of Sarnia, the City will convene a meeting with its representatives and the service provider concerning this NOI.
