## NOTICE OF INTENT

---

### Overview:

Notice is hereby given by The Corporation of the City of Sarnia of its intent to award a contract to Walker Environmental to provide screening services for the city compost material.

Walker Environmental has been chosen to provide these services for the following reasons:

- Ability to mobilize and complete the work in a timely manner
- Equipment productivity and ability to maximize positive output material
- Overall reduced rejected material to landfill

Estimated Contract Value: \$75,000

Service providers who wish to object to this decision should contact Shawn Unsworth, Purchasing and Risk Manager for The Corporation of the City of Sarnia, on or before August 8, 2022 at [purchasing@sarnia.ca](mailto:purchasing@sarnia.ca) presenting specific reasons for their objection. If deemed acceptable and in the best interest of The Corporation of the City of Sarnia, the City will convene a meeting with its representatives and the service provider concerning this NOI.
