

NOTICE OF INTENT NOI 2023-14

Overview:

Notice is hereby given by The Corporation of the City of Sarnia of its intent to award a contract to WSP E&I Canada Limited to provide Local Area Forecasting Services for a 5-year period, from October 1, 2023 to September 30, 2028.

WSP E&I Canada Limited has been chosen to provide these services for the following reasons:

- Firm has successfully completed forecasting services to the City in the past
- Value-added services with web portal and mobile app access to forecasting data

Estimated Contract Value: \$51,217.40 (plus CPI for years 2026-2028)

Service providers who wish to object to this decision should contact Iain Douglas, Senior Procurement Specialist for The Corporation of the City of Sarnia, on or before September 21st, 2023 at purchasing@sarnia.ca presenting specific reasons for their objection. If deemed acceptable and in the best interest of The Corporation of the City of Sarnia, the City will convene a meeting with its representatives and the service provider concerning this NOI.
